The Prly notifn may perhaps be sent to the Compiler for publcatn in the Gazette, if approved.

~~Notes Draft is submitted for approval~~

Dr. 15/3/28. 16. The acquisition of the ~~above~~ land ~~is~~ s/o is not intended for public purpose; it is intended for removing the stones from the quarry which is to be formed in the said lands. The Amildar reports that the quarry yields an income of Rs 1600/- a year to the govt & hence it would be ~~a~~ disadvantageous to acquire the lands. The owner is ~~not~~ loath to part ~~to~~ with the lands & he did not respond to the call made upon him. The acquisition is therefore proposed to be effected by compulsion

The quarry proper ~~has~~ seem to have been improperly acquired & worked up to the detriment of the owner.

Now it is proposed to acquire the lands adjoining the quarry for the purpose of removing stones & storing them up there.

It may not be right to deprive the owner of the benefit that will accrue if it is privately ~~worked~~ quarried.

The D.C. will be informed accordingly if approved & the file of papers received, will also be returned

~~with a sketch~~

Submitted, for ~~final~~ ~~proceedings~~ orders.

9/8/28 From a perusal of the Tahsildar's report it is seen that the quarry exists in Survey No. Thumb of an occupied land Survey No. This Thumb seems to belong to the owner of this land just as much as the cultivable portion thereof. Somehow the quarry in the Thumb portion has come to be sold for the
